## **Polaris Worlds Guarantee to You**

### **Investment**

Your money is fully guaranteed from start to finish. We provide you a warranty from a first class banking organisation, to guarantee that the deposits you put down for the purchase of your home are secure.

### **Future**

All the Polaris World developments have an insurance policy contracted to guarantee for a period of 10 years, against any structural defect in your home. This policy is placed with a major insurance company at no extra cost to you.

### **Guarantee of information and legal support**

A team of internal and external professionals check our sales network, to guarantee that the advice and evaluation in the process of buying your home is always the best for you. We possess the ISO 900: 2000 quality certificate that guarantees excellence in all our sales procedures.

### **Guarantee of quality during the purchase process**

A team of internal and external professionals oversees our commercial structure, to ensure the most appropriate purchase advice is given. We are ISO 9001:2000 certified, which guarantees the excellence of all our sales procedures.

### **Construction**

Polaris World Desarollo, our construction company, is in charge of executing and managing the building of your home, to the highest quality standards and with the most rigorous checks and methods, to ensure your home is built and delivered on time. What's more, a team of external auditors supervises the quality processes.

### **Guarantee of design**

From design to completion, every detail of every element of our resorts has been painstakingly taken care of. Each house, each street, each garden.
